

foodplay

An app for cooking lovers/creators

Yue Yu

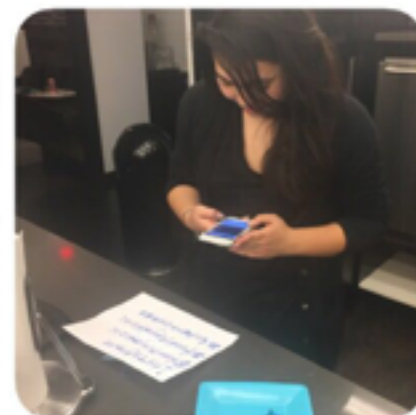

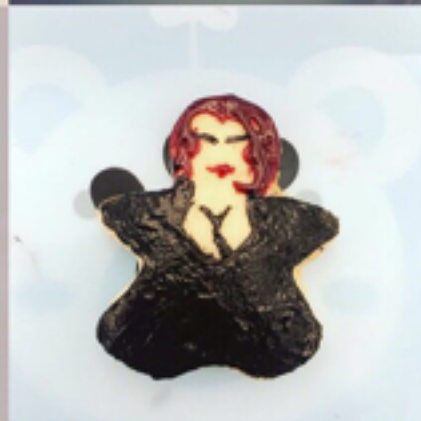

Design Statement

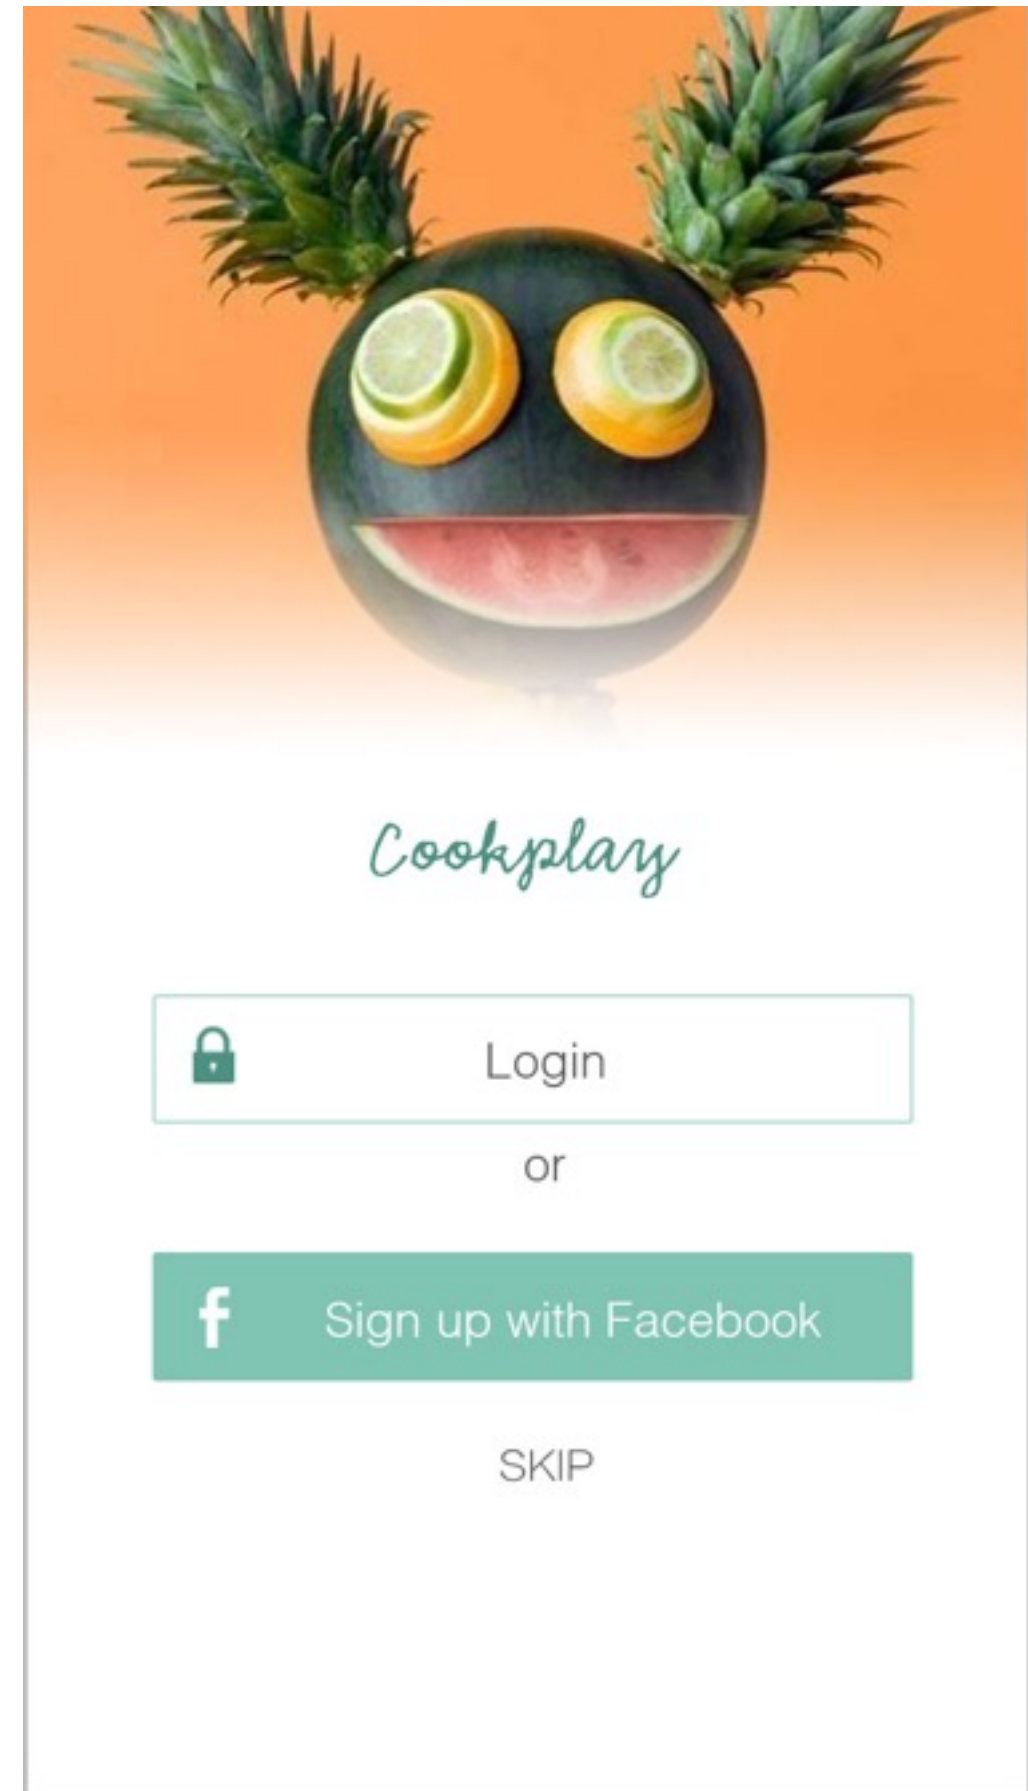

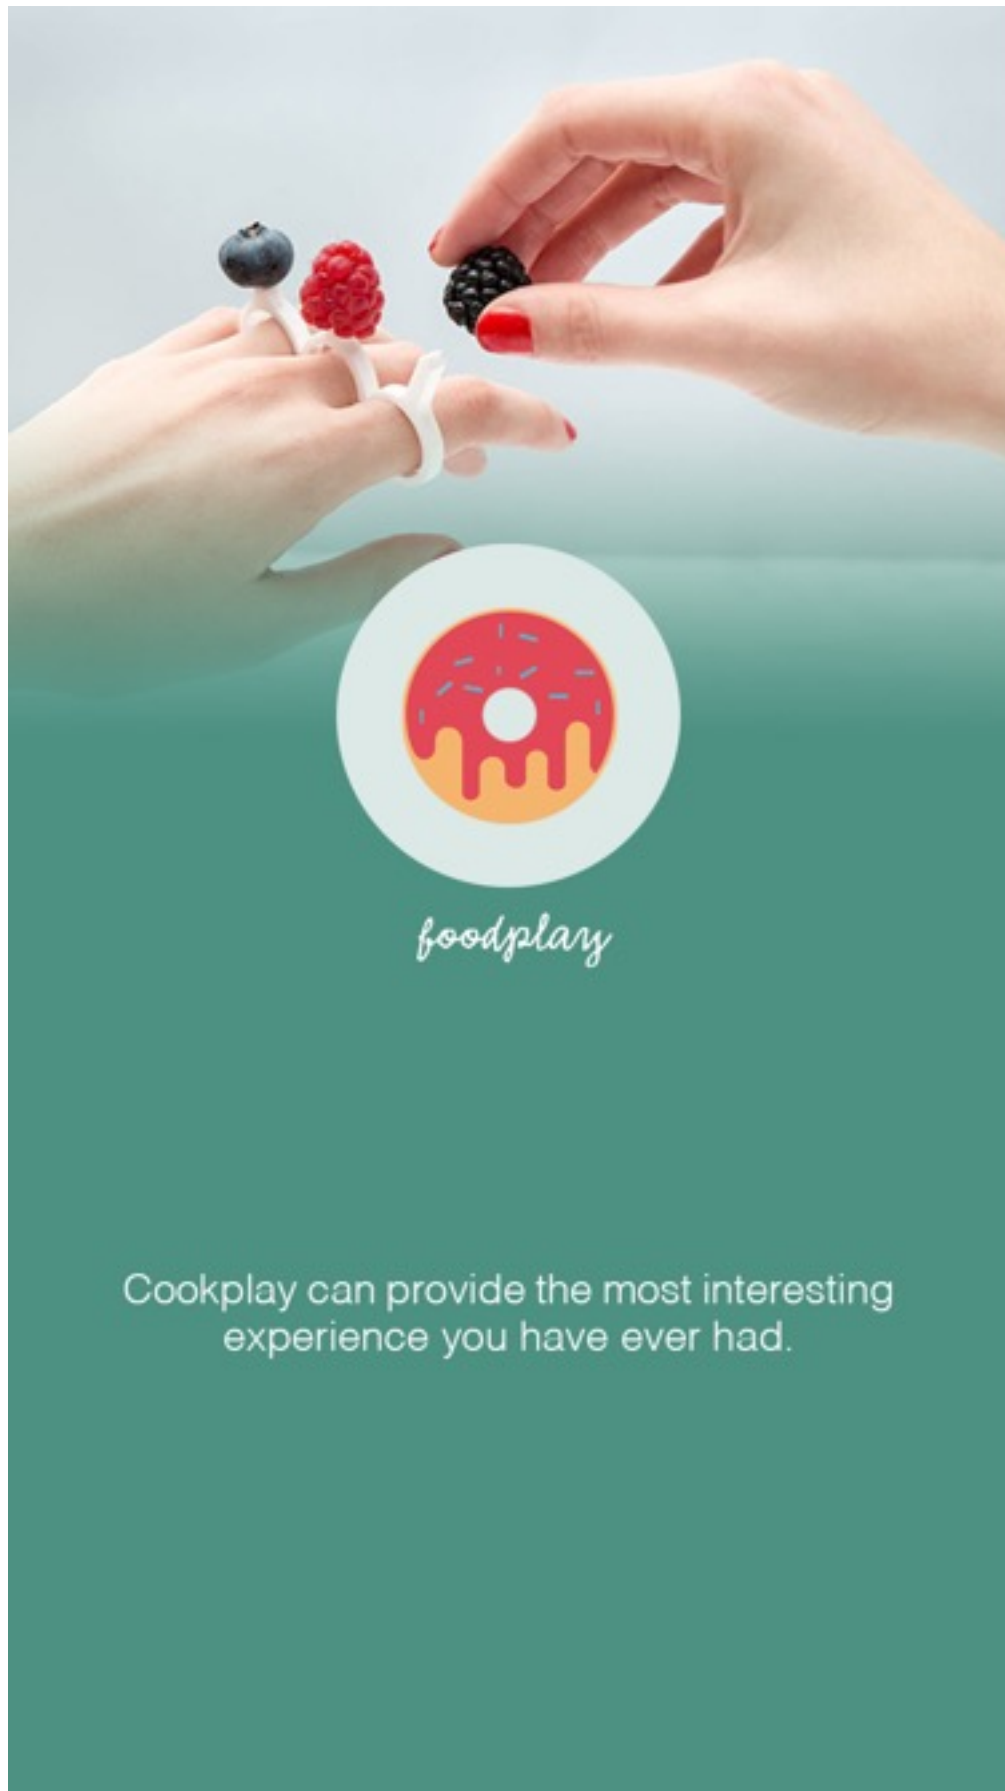

An online platform in the form of an app that invites users to engage in different culinary challenges that encourages creativity based on different and relevant topics.

Audience: Cooking lovers (not professional chefs) from 18-54 year olds who want to do more creative dishes and gain more interesting cooking experiences

< Superhero Cookies

Cookies are more than mere sweets: they are gifts, mementos of your life, and most certainly made with your creativity. Nothing better than various pretty cookies packed into a box, and accompanied with a cup of after.

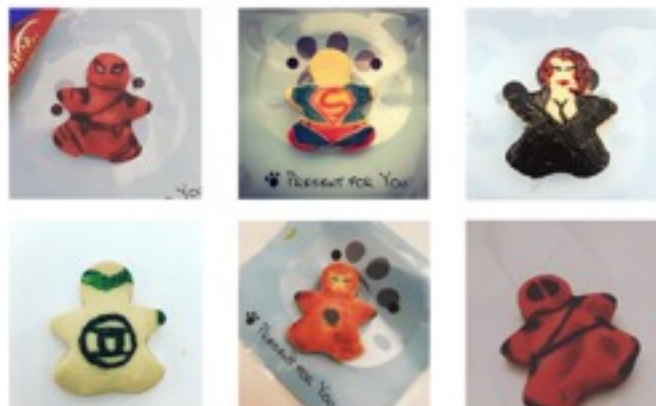

Think about some famous **HEROES/ELEMENTS** of super-hero movies and make some well-decorated cookies for children and your family!

Don't forget to check our tips on www.foodplayofficial.com. Upload your photos on instagram and @foodplayofficial with #foodplayofficial #supercookies

Also, you can email to foodplayofficial@gmail.com and tell us your instagram account, we would love to help you post it!
